Lower Height Option

Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in these regulations and must be clearly identified in the schedule. When the Lower Height Option is scheduled a dog may only be entered at either the Full height or at the Lower Height and cannot compete at a different height in any class at that competition. For these purposes a competition shall be defined as all classes covered within the same schedule. Each relevant class will have two heights with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Allsorts Class This class is open to any dog not entered in any other class at this show, except other Allsorts/Any Size classes. It is intended as a fun class for older dogs, new dogs and 'don't fit anywhere else' dogs, so that all our dogs may enjoy agility shows. There will be two jump heights: Small and Medium dogs compete at 25 cms and Large at 45 cms. Please note: There will be clear round rosettes only to all dogs that achieve a clear round in this class.

SPECIAL TRIO TEAM JUMPING Each Team must consist of 3 separate dogs and 3 separate handlers, each team must consist of 3 dogs, one must be a LARGE dog. (or LHO Large) the other dogs in a team MUST BE EITHER 2 Mediums or 2 Smalls. This will be a baton relay and the baton must stay behind the line at all times, failure to observe this will result in a 20 fault penalty. Only dogs or reserves entered on the entry form will be allowed to run in this class.

SPECIAL 1 DOG AND 2 HANDLERS JUMPING open to all heights of dog , 1 handler runs the dog round the first half of the course and then changes over with the 2nd handler who does the 2nd part of the course with the same dog, changeover area/obstacle at judges discretion, incorrect changeover will result in a 20 faults penalty,

SPECIAL RESCUE DOG SPEED JUMPING Kindly sponsored by Rehome Animal Rescue Open to all heights of Dog and Grades 1 to 7, this class is open to any rescue dog (please only enter if your dog is a genuine rescue dog if unsure please contact the show secretary). The course will consist of jumps and tunnels only and will be a fast flowing course.

LOW 550 is a national jumping cup competition for handlers wishing to compete in a prestigious qualifier at the same height as the Lower Height Option at KC Agility tests. This Special sponsored event is open to all dogs in the Large height category (ie measuring over 430mm at the withers) and with hurdles set at 550mm.

There will be 10 qualifying heats held around the country, each one split into two parts for Combined Grades 1-4 and Combined Grades 5-7. All dogs will run over the same course and shows have the option of running the parts together or separately. The top two dogs and handlers from each part will qualify for a similarly split Final taking place at Prestbury Park Championship and Premier Agility Show in September 2017, at the picturesque Cirencester Park in Gloucestershire.

ELIGIBILITY FOR CLASSES

In accordance with KC rules, all dogs must have been officially measured before competing at this show. In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw.

With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression: Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed

Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary) - For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club licensed Agility Shows. N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.

Grade 2 (Starters) - Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club licensed Agility Shows, or elected to progress on points from Grade 1. N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.

Grade 3 (Graduate) - Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice) - Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate) - Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior) - Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced) - Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

Special Classes: Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule. Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count

We are hoping to have measuring subject to measurers being available (details will be sent with running orders)
